Subject: Follow-up to Friday's Meeting re WASCO LLC

Gentlemen:

Thank you, again, for taking some time out of your busy schedules this past Friday to meet with Sen. Tim Hutchinson, Steve Barringer, Bern Rappold and me regarding the WASCO LLC matter we discussed. I recognize that you can't take that amount of time with everybody who has a RCRA-related regulatory problem, and we greatly appreciate:

(1) your willingness to listen to our concerns, particularly because we believe a great injustice is being done to WASCO, and

(2) your willingness to reach out to EPA Region 4 and NCDEQ regarding the matter.

Could you please email to me a copy of the meeting attendance form from Friday for our records?

Have a great week.

Rodney
